To whom it may concern,

Robert Paige and the Holy City Sinners have performed at the Mills House Hotel as an ongoing house band and catering function band (i.e. The Budweiser Low Country Blues Bash, several social and corporate events). The group is on the top of hotel's catering preferred list of entertainers to refer to clients when their genre of music is requested. I would recommend them artistically and as professional musicians. The Holy City Sinners are the premier blues group in the city of Charleston and receive rave reviews after every performance. If you have any questions, please feel free to contact me at 843-805-1075.

Sincerely,
